With the recent election of the current French President, Macron it was leaked out into the Free Press that Macron was blatantly put into direct power on orders from the Jewish Emperor's and self stated Messianic Kings of the Jewish race the Rothschild's themselves who control France and the EU. The EU was created by Rothschild's and Warburg's to enact the Jewish plan of total Genocide of the European Race. This fact is confessed by their political asset Kalergi, who put this together on floor level for them. This also explains why France joined in America to destroy Libya to protect their Rothschild's masters monopoly.

In the last election the regime in France openly rigged the election against Le Pen's party with the distribution system of ballots and how they are issued to the public. This was done to cause Le Pen's party to suffer a major loss of votes. To allow for Macron and the general continuation of the Jewish elites selection process to trump elections.

However in Europe things are changing fast. The EU has lost Italy, Hungary, Austria and Poland to Nationalists. And they are losing Germany which is the heart of the EU power base. Jewish Merkel has been undergoing a quite coup against her in the Parliament. And just had her chosen Parliament leader denied for someone else. A major kiss of death to her political career. In Germany we have thousands of protesters in the streets demanding and chanting "National Socialism Now!" The writing is on the wall for Germany.

France is the other major EU player the Jewish elites are trying to desperately hold onto. They are in panic enough over Germany. Macron's public political fight with the leader of Hungary has also revealed something. The EU Parliament elections next spring are bringing the end to the anti-European parties grip on power.

Within this sinking ship of evil schemes and dreams for the Jewish establishments plans to turn Europe in Mordor. We have the latest news from Jewish controlled France. Marie Le Pen was forced by the regime to undergo forced psychiatric testing by the state to make sure she is not mentality ill for protesting the murderous terrorism of Islamic State. This is done in a pathetic attempt to make not just Le Pen.....But anyone in France who is against Islamic migration and the influx of dangerous Jihadism into Europe appear as mentality insane. Thus the actual obvious message is anyone who questions the Jewish regimes policy of the Genocide of the European Race is mentality ill. Take this as a lesson Le Pen has kissed up to the Kikes but its all in vain. The Jewish Talmud states from the Jewish Torah: "Even the best of the Gentiles kill them." So even if your the best Shabbos Goy on earth the Chosen got your number on a bullet.

This is the same tactic the Jews used when they ran their slave camp called the USSR. Anyone who opposed or questioned the Jewish establishment was labelled as criminally insane by their State and locked away and tortured Clockwork Orange style in psychiatric prisons. Today the Jewish power groups have also campaigned to label "Anti-Semitism" a mental illness as well. It should be obvious as to why. To then create legal base work to have people arrested and

locked away in psychiatric prisons who oppose the criminal rule of the Jewish race. Where a Dr.Jewbergwtiz well then see to their "treatment".

Any Gentile who does not believe they are a talking animal put here by the Jewish G_d, to be slave property of the only human beings which are the Jews is mentality ill says the Jews..... Well then are we done taking the disgusting criminal claims of these inbred, alien kike maniac's seriously then.

NATIONAL SOCIALISM NOW!

I would wipe my ass on the Torah but the poo people would find this a kind of respect for their book.

Now you act in my own prudent recommendations, but I changed my mind too considering this very fact it may become a holier relic for them if it goes down the toilet or it's pissed upon.

If we took a crap on the torah this would make it an even more e-scat-ological book and thus attract more rabbis into it's study due to the holy fragrances that they would perceive it of radiating.

Maybe we can use a big airplane like the ones they have for large forest fires. Then, all Gentiles can piss into the bucket of this plane. Then, we can send it over the holy dome of Israel and it will fill it with great fragrance. Then, all jews will think their Messiah has arrived (Piss be unto him) and they will gather around the holy site to experience the second Flood of Rabbi Noah.

The airplane G3NT1L3-P1ZZ will be carried in the pockets of jews like a small relic, they will honor it until the end of time for bringing their deliverance.

Prophecy says in Rabbi Pissenbergs New Book "The Golden Shower: The spiritual importance of scat in the finding of God", says this is a sign of the end times.

"The Gentiles will be pissing on the heads of the jews, and they will want to put them in Gulags. The jews, filled with enjoyment and lacking any ability for self control, will fall for the mystery of the piss: The Golden Shower signifies the coming of the Messiah Jesus Christ Rabbayenu Yehoshua, master of the Golden Showers. When the dome of Jerusalem becomes discolored from acidic piss, know that the time is neigh and chant the Asher Yetzar in full power, so that the Mossiach Ben David will arrive from the giant hole of YHVH as his holy spawn. Since G-d is of Masculine Gender and not feminine, blessed be he, he will begot his own son in his own form into this world, from his holy rear, and we call this the Mystery of the Redemptive Male Birth. Goyim will not understand this meaning as usual and become more anti-semetic as usual, our fixation with the holy matter of JHVH is a mystery unto the Goyim of the earth. Blessed be the 'sweet brown fruit' of Hashem and his ineffable name Yud-Hei-Scat-Hei, which in it lies coded in Hebrew Letters the Grand Masonic Secret of Mossiach Ben David".
